

Dear Enthusiast,

I wanted to invite you to have an opportunity to be a part of local motorsports racing history. One of the most legendary promoters in the history of motorcycle racing lives in Toledo, Ohio. That man is none other than Paul Schlegel. Paul is famously known for the creation of: The Lorretta Lynn's Amateur Motocross Championship, Delta Motorsports Park and the Inter-AMA Motocross Races of the 1970s, The Pontiac Silverdome Amateur Supercross, the Lima Half-Mile Flat Track National, The Fallen Timbers National Enduro of the 1970s, Glass City MC, and much, much more.

Recently at our Fallen Timbers Classic 3 Harescramble, we had Paul Schlegel as our "Guest of Honor" and had him share stories of the past. Hundreds of racers and spectators enjoyed hearing Paul's stories and insights. After the conclusion of the race, I became inspired to honor Paul on a more long-term basis and thought of an idea of doing a documentary film on Paul. Thankfully Paul has agreed to be a part of this documentary film and we are excited for it! To be straightforward, we all know Paul is getting up there in years, and I believe the motorcycle racing community needs to capture his greatness in his own words, before it's too late.

We are currently in collaboration with a local video production company from Maumee, Ohio, Todd Productions Inc. (<http://www.toddprod.com/>), on producing this Paul Schlegel documentary film. Todd Productions Inc. is a very professional organization with over 20 years of video production experience. I have not a doubt they will do a fantastic job on this film. I would encourage you to view some of Todd Productions Inc.'s work by visiting their website at www.toddprod.com

This presents the opportunity for your organization to be a part of this history-making film that will be around for generations to come. On the subsequent page, there are sponsorship opportunities for your review. All funds that the Toledo Trail Riders receives will be going towards the production of the Paul Schlegel documentary film.
